

AUSTRALIAN & NEW ZEALAND DELEGATION TO INTERPOL WORLD 2017

INTERPOL World 2017 is a biennial exhibition and congress event that connects law enforcement, government bodies, academia, international security professionals and buyers with security solution providers and manufacturers. This event provides a strategic platform for the public and private sectors to discuss and showcase solutions to evolving global security challenges.

"We came to meet senior police leaders from other countries with a view to exchange criminal records, biometrics and fingerprints. We achieved ten new partners."

- Ian Readhead
National Police Chiefs'
Council, UK

ABOUT INTERPOL WORLD 2017

The mandate of INTERPOL World, a global exhibition and congress platform, encapsulates the vision of a safer world through using innovations and engaging government, organizations, and strategic think tanks in a multi-stakeholder approach. INTERPOL World 2017 showcases innovations and solutions from 300 international suppliers and manufacturers. More than 10,000 public security professionals and commercial buyers from around the world will convene in Singapore to find and forge mutually beneficial alliances leading to faster and more accurate responses to global security threats.

INTERPOL World is an event owned by INTERPOL, supported by Singapore's Ministry of Home Affairs, World Economic Forum and Singapore Exhibition and Convention Bureau.

CONGRESS TOPICS

4 July 2017 - Shedding light on the "Dark side" – Cyberspace and the future of security. Managing cyber threats to society from the "hidden" Internet.

5 July 2017 - Prevention – Getting smarter, faster and more precise. Preparing policing strategies, approach and tactics for managing urban centers and global cities of the future.

6 July 2017 - Identity management and detection in a borderless world. Law enforcement, migration and border management in an age of globalization.

Please visit www.interpol-world.com for more information about the Congress and Exhibition in Singapore, including the current Congress agenda.
